11. STUDENT SUCCESS

a. NCMC Graduate Lorie Grigsby

President Finley shared that we are fortunate to have former NCMC student Lorie Grigsby, a Petoskey native with us today. Lorie graduated this past June with an Associate of General Studies. She is now the Programming and Accounting Associate at Petoskey Harbor Springs Community Foundation.

Lorie was invited to speak and share her story. She graduated from Petoskey High School and began taking classes at NCMC in 2007. She knew she always wanted to work for the community and in a non-profit capacity. She originally intended to go into Early Childhood Education and enjoyed working with Jennifer Wixon. Lorie took a short hiatus when COVID began. When she returned, Lorie took a class she really enjoyed with Chet Jessick and shifted gears to focus on business.

Lorie is now registered for classes at Central Michigan University with a major in Organizational Leadership and a minor in Business Communications. She has a goal to complete her Masters degree after that.
